Others Present via zoom: Erin Cameron

Call to Order: Mayor Jaspers called the meeting to order at 6:30 p.m.

Agenda: Wegleitner moved and Solberg seconded to approve agenda as presented. All voted aye.

Building Permit: Mayor Jaspers updated Council on meeting with FEMA representative Harry Katz. Since the city has not formally adopted the preliminary Flood Insurance Rate Map there is no obligation to require a flood permit for Lakes Gas because the current effective map excludes their property from the flood hazard area. Attorney Cameron would like to require Lakes Gas to sign a liability waiver due to the knowledge that this area will be in the flood hazard area in the future.

Stapleton moved and Solberg seconded to approve building permit 2021-03 for Lakes Gas Co. with the condition that they sign a liability waiver and acknowledgement statement. All voted aye.

Information/Discussion: Mayor Jaspers reported that City Wide Clean Up will be held for 2 weeks from April 14-28, 2021. Executive Director of Chamber and SEDC submitted resignation effective April 2, 2021.

Adjourn: Just moved and Appel seconded to adjourn. All voted aye. Meeting adjourned at 5:10 p.m.
